DAWSON DOESN'T LIKE SOLDIERS ON GUARD

They Refused to Move From Hotel Grounds, Under Orders From the Governor.

Dawson, Ky., July 29.—Excitement was occasioned here yesterday by the arrival of Lieut. Ragsdale, of Bowling Green, in command of soldiers of Company A, who went into camp on the Arcadia Hotel grounds, and it is reported that they have been sent here to guard the Illinois Central railroad depot and the long trestle near the river. Mr. N. L. Holman, proprietor of the Arcadia, with Mayor J. E. Hayes and Town Marshal Tribble, requested them to vacate at once, but were informed that they would fight to hold their positions.

As the hotels are now all full of

guests from different States, who are here for their health, the citizens are very much wrought-up over the soldiers being sent here at this time. All sorts of predictions are being made by the guests that night riders will invade the town, and some are leaving. An attempt was made to reach Gov. Wilson over the telephone, but he was out of the city. An appeal will be made as soon as Maj. Bassett can be found at Hopkinsville to get him to order the soldiers away from this vicinity. No danger has been apprehended from night riders in this locality.

Maj. Bassett left this city yesterday for Dawson.

BROTHER KILLS BROTHER.

Fatal Ending of a Fratricidal Trouble In Tennessee.

Lafayette, Ky., July 29.—Two brothers named Jefferies, one single and the other married, had a fight at Bumpus Mills over the possession of 50 cents, and the married brother was stabbed in the heart and killed. No further details can be obtained.

The Russellville ball team won both games from the local nine at Mercer Park this week. The score in Monday's contest was 12 to 2 and on Tuesday the score was 7 to 5 in favor of the visitors.

SECRET SERVICE MEN MAY RUN DOWN RIDERS

Uncle Sam's Detectives Expected To Be Sent To Trigg And Caldwell Counties.

Frankfort, Ky., July 29.—Secret service men may be sent by the United States Government to run down the "night riders" in Trigg and Caldwell counties who burned down the depots of the Illinois Central Railroad Company. Those who are on the inside and know what is going on would not be surprised to hear that from twenty-five to thirty of these secret service men were in Trigg and Caldwell counties to day, for it has been learned here that the United States Government has been requested to send detectives into those counties.

By whom the request was made could not be ascertained. It was learned here last spring that they were asked to come into the State and endeavor to run down the men who were sending intimidating letters, but that the Government's reply was that the postal authority did not cover the case. The depot burning incidents, however, are different, it is thought, for the burning of the depots caused a delay of the trains, and possibly the prevention of the trains from running at all, which of course would interfere with the United States mails.

GAVE BOND

To Answer Charge of Shooting and Wounding.

The examining trial of Ben Stedman, col., charged with shooting and wounding with intent to kill Charles McKnight, col., was held before Judge Prowse Tuesday. The defendant was held over to the grand jury and gave bond in the sum of \$100 for his appearance at the fall term.

The trouble occurred near Hargis, bridge, a few miles south of the city, when McKnight, who had secured a license to marry a daughter of Stedman, went to the latter's house after the bride-to-be. McKnight charged that Stedman fired several shots at him, one of the balls taking effect in his foot. The wedding occurred the next day, however.

CHRISTIAN

Church Convention to Be Held in Hopkinsville.

Largest Meeting of The Denomination Ever Held in Kentucky.

The Churches of Christ in Kentucky will hold their annual State Convention at Hopkinsville on September 21-24. The meeting this year has many unusual features connected with it. It will be the first combined State convention that has been held in the last thirty-five years, the South Kentucky convention at Princeton having voted for this union at Hopkinsville.

For the first time in the history of the convention every railroad in the State has declared a rate of one fare plus 25 cents for the round trip, and the managers are working hard to show their appreciation by having the largest attendance this year that they have ever had. Arrangements will be made for those who wish to stop at Mammoth Cave on their return trip from the convention.

No pains have been spared to make the program the best ever presented. Among the speakers will be H. D. Powell, Rev. J. A. Spencer, Rev. E. L. Powell, President R. H. Crossfield, President J. W. McGarvey, Rev. H. M. Hamill, President H. J. Derthick, Rev. A. McLean and Rev. C. E. Morgan.

There is another convention or gathering to be held in 1908 of such vital importance to the Disciples of Kentucky as this convention at Hopkinsville. The question with the Baptist Church Union which will be discussed this year makes this convention paramount. The slogan for the year will be "One thousand visitors Hopkinsville." — B. G. Messinger.

Accidents will happen, but the best regulated families keep Dr. Thomas' Electric Oil for such emergencies. It subdues the pain and heals the hurts.

AGED WOMAN

Of Clarksville, Tenn., Attempts to Commit Suicide.

Clarksville, Tenn., July 27.—Mrs. Bettie Burney, an aged woman of this city, made an unsuccessful attempt to commit suicide by cutting her throat and an artery in the arm with a razor. She left the dinner table and went to a room, where she used the razor while standing before a mirror. When found a few minutes afterwards she was lying in a pool of her own blood, but conscious. She said she had done what she thought was best, but expressed regret over it. A deep gash was cut in her neck, but the jugular vein was not severed. She has been in ill health for some time, being afflicted with cancer, and the deed was committed while despondent over her condition.

HYDROPHOBIA

Causes Death of Former Policeman, Who Was Bitten Last October.

New York, July 28.—Hydrophobia, the result of a dog bite, regarded at the time as insignificant, caused the death yesterday in the Presbyterian hospital of James E. Phillips, formerly a lieutenant of police. While Phillips was playing with his pet dog last October the animal bit him slightly on the cheek.

Symptoms of hydrophobia developed yesterday. By night the victim became violent and he was removed to the hospital. An examination failed to show any scar, but spasm followed spasm until the victim died. Phillips was dismissed from the police force some time ago, and has since conducted a detective agency.

"Suffered day and night the torment of itching piles. Nothing helped me until I used Doan's Ointment. It cured me permanently." — H. C. Clegg.

RHODES SCHOLARSHIPS.

Next Qualifying Examination Will Be Held in October, 1909.

Washington, July 25.—The trustees of the will of the late Cecil Rhodes to-day announced for the information of college authorities and intending candidates for scholarship in the United States that the next qualifying examinations in this country under the Rhodes bequest will be held October, 1909, and the elected scholars will begin residence in Oxford in October, 1910. The examination will be held in each State and Territory to which scholarships are assigned, at centers to be fixed by the local committee of selection. It should be clearly understood that this examination is not competitive, but "simply qualifying, and is merely intended to give assurance that every elected scholar is up to the standard of the first examination which the university demands of all candidates for the B. A. degree. One scholar will be chosen for each State and Territory to which scholarships are assigned. Candidates must be unmarried, and must be citizens of the United States. Candidates are eligible who have passed their nineteenth birthday, but have not passed their twenty-fifth birthday.

WHAT THE KIDNEYS DO

Their Unceasing Work Keeps Us Strong and Healthy.

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, droppings, deposits in the urine, etc. But if you keep the filters right you will have no trouble with your kidneys.

Mrs. W. I. Bailey, living on East Greenville street, Madisonville, Ky., says: "It is four years since I recommended Doan's Kidney Pills through our papers, and my confidence in them during the time which has elapsed has not been shattered in the least, but to the contrary, I learned more about them and can recommend them even more strongly. I said at that time that Mr. Bailey had suffered with kidney complaint off and on for a number of years, and had used almost every known remedy for this trouble but nothing brought permanent results. He finally learned of Doan's Kidney Pills and got a box. They benefited him in every way, more so than all other kidney medicines he had ever tried. He has used them many times during the past four years, and they have never failed to give him relief from these severe attacks. I have used Doan's Kidney Pills myself for a weakened condition of the kidneys in my case. We both think there is no remedy like Doan's Kidney Pills."

Young defended Judge Hargis at two trials for Breathitt county murders, and it now becomes his duty to defend his murderer.

Young Hargis is said to be in broken health and pleads for trial soon.

that the following five proposi-
tions make up a model "saloon

which would be a satisfactory settle-

- The closing of all saloons on

- A police force raised above the

- A gradual reduction in the num-
ber of saloons.
- The prohibition of all forms of

conditions:

- One thousand dollars for saloon

- The closing of saloons on Sunday,
screens removed and fine for any
one to enter them.
- A police raised above the saloon
influence.
- Saloons limited in number and
licenses revoked upon first violation
of Sunday laws.
- The prohibition of all forms of
gambling in saloons.

white residents of Hopkinsville that
law and order was so lax that the
colored people felt disgraced and

were taught to obey the law.

This is certainly commendable in the col-

higher class than they have been
hitherto placed.

One colored resident—Dr. Lever-

class" as a citizen than some of our
white inhabitants—came before the

information about street-walkers in
his section of the city and the coun-
cil authorized the workhouse com-

worked inside the workhouse, as
they have never been employed on
the streets. That was the only ele-

city. But few people in Hopkins-

passed by as unworthy of notice,
but the Owensboro paper is entitled
to know the facts.

POTENT FACTS

About the Fair to Be Held at
Madisonville.

It will be larger and better in
every respect this year than ever be-
fore.

Pleasure and profit tell the story
of a few days spent at the fair.

Nowhere else can you meet so
many old friends, and find an equal
amount of enjoyment for the money.

A great deal of work and extra
effort has been given this year to
bring together amusements that
will be satisfactory, those that will
give you full value for every penny
expended.

Emphatically and unquestionably
there is not another place in the
whole country where so much to in-
terest, entertain, amuse and please
you can be had for a small expendi-
ture. You are entitled to a day of
pleasure on the dates, and we
will be sad if you do not
attend the fair.

Chicago, Ill., July 29.—The above ticket was nominated by the Independence party at its first national convention.

The friends of Mr. Bryan made an effort during the night session to bring his name before the convention and the man who attempted it nearly produced a riot and narrowly escaped physical violence at the hands of indignant delegates. The man who sought to place Mr. Bryan in nomination was J. I. Sheppard, of Fort Scott, Kansas.

RESIDENCE BURNED.
Mr. John W. Foard's Country Home Destroyed.

The dwelling house of Mr. John W. Foard, near Church Hill, was burned yesterday morning at 10 o'clock. It caught from a fire and burned so rapidly that nothing could be saved from the upper story. It was a two-story brick with a one-story frame addition. The loss was from \$3,000 to \$5,000 with some insurance. Neighbors responded and did what they could, but there was no way to put out the fire. Many articles prized by the family beyond their real value were lost. In all over 100 quilts packed away were burned.

KELLY CASE AT CADIZ

Motion For Change of Venue Is Being, Hard Fought.

ARE MANY WITNESSES.

Decision Not Made When Last Reports Were Received.

Cadiz, Ky., July 29.—The trial of John W. Kelly, charged with misappropriating trust funds, was called in the Trigg Circuit Court Monday. Judge J. C. Sims, of Bowling Green, is presiding as special Judge, and John Stites, of Hopkinsville, is acting as special Prosecuting Attorney. Denny Smith, the State's Attorney, having declined to act in the case.

Mr. Stites sprang a sensation when he filed an affidavit in support of a motion for a change of venue. The affidavit set forth that the Commonwealth could not get a fair trial under the state of lawlessness existing in Trigg county, and further charged that Kelly was a leader of the night riders. Mr. Stites said that the Commonwealth could not get a fair trial in any of the adjoining counties with the exception of Christian, and asked that the case be sent to that county.

Judge Sims held that the affidavit would have to be supported by oral testimony and gave the Commonwealth until 9 o'clock Tuesday morning to obtain witnesses.

Tuesday was devoted to hearing testimony in support of the motion. Maj. E. B. Bassett was a witness and also one or more members of the pursuing posse testified that the Hopkinsville raiders were followed into Trigg county. There were several other witnesses and the Kelly attorneys introduced many witnesses to prove that Christian county was as bad as Trigg, filing a list of outrages compiled by the Kentucky Sept. 24, 1907. The legal battle was continued to-day.

Bernice Gooch, a soldier of Company D, shot at two men who were prowling about the hotel at night in which attorney John Stites was lodg-

ing.

STATE FAIR PROGRAM
Special Prizes.—Superintendents of
Departments.

The very handsome sum of \$25,000, supplemented by special prizes, up to \$5,000, will be offered in premiums at the sixth annual Kentucky State Fair to be held on its new grounds and in its new home the week of Sept. 14 to 19 inclusive. In nearly every department the prize money has been materially increased over past years, and as a consequence the most attractive and liberal classification ever offered by a fair of this size. The Ohio River is offered to prospective exhibitors. In the horse department the prizes are 30 per cent greater and in the mule and Jack departments 25 per cent in excess of last year's list, and still a more liberal increase in the poultry and women's departments.

Among the special prizes listed are two \$1000 prizes offered by the Louisville Automobile Club, one for the best American carriage animal to be judged by the standard of classification provided by the United States Department of Agriculture governing the exhibit of carriage horses at the various State Fairs and Expositions of the country, and one for the best of driving animals, offered by the Kentucky Automobile Club.

HEADS OF DEPARTMENTS.

The seventeen departments have been placed under the management of the various members of the State Board of Agriculture, as follows: M. C. Rankin, Frankfort, Poultry and Pigeons, Horticulture, and Plants and Flowers; M. A. Scovell, Lexington, Dairy Cattle, Sheep, Goats, and Cattle Dogs; G. N. McGraw, Bayou, Woman's Department; F. B. Neal, Lexington, for Implements and Machinery; Harry L. Smyser of Lyndon, for Speed Department, and Prof. J. H. Hooper of Lexington for Students' Judging Contest.

The small farmer or breeder should not fail to enter his products at the Kentucky State Fair. He often thinks there will be so many entries that he would not have a chance for a prize. He might as well enter the same. They then often consider that they go to the fair and see someone else go with a ribbon won on some specimen much inferior to their own.

BRYAN JOINS AK-SAR-BEN

Initiated Into Omaha's Great Burlesque Club This Week.

A BANQUET PRECEDED.

Substitute Put Through the Exciting Initiation Ceremony.

Omaha, Neb., July 28.—W. J. Bryan arrived in Omaha from Chicago this afternoon. At the station he was met by a committee representing the Knights of Ak-Sar-Ben, a secret order of Omaha business men, who gave him a banquet and later in the evening initiated him as a member.

After the dinner, the party was taken in automobiles to the castle where Mr. Bryan, with several other candidates, was invested with the honors of knighthood according to the rites of King Ak-Sar Ben.

Very entertaining are the many

permissions of His Majesty, Mr. Bryan chose as his substitute for active participation in these rites, Charles A. Cottrell, of the Washington office of the Associated Press, and when the initiation was complete, the latter expressed the opinion that he "got all that was coming" to his distinguished principal.

SKIRMISH AT BENNETT'S HOME.

Guards Repel an Attack By Band of Night Riders.

FULLY 100 SHOTS FIRED.

Soldiers Occupy Dawson Over Protests of Local Officials.

Dycusburg, Ky., July 28.—A bat- occurred between soldiers guarding Henry Bennett's home one mile from here, and night riders who were going to attack Bennett.

Bennett has been guarded by eight soldiers, but they went to town last night, and shortly after dark four strangers were seen prowling about the premises. The soldiers were hurriedly called and returned about 11 o'clock. They discovered forty or more figures skulking towards the house through the woods, and went out to meet them. At a distance of about fifty yards the night riders realized they were discovered, and

but the night riders escaped. About one hundred shots were fired.

YOUNGSTER WHIPPED.

By His Father Under Police Supervision.

Alfred Campbell, a negro boy who threw a rock at an L. N. train and hit a brakeman on the hand, was severely whipped by his father, Jas. Campbell, at police headquarters Tuesday morning, who preferred that punishment instead of turning him over to the juvenile court for trial. Chief Roper told the father when to quit.
